## Meet the Judges

18 judges from all sectors of business across Fife, were involved in this year's shortlisting process.

Representatives from Principal Sponsors Blackadders and Henderson Loggie, joined Fife Chamber Chief Executive Alan Mitchell, in the strict shortlisting process, reviewing every application received, and joined all the online Interviews.

Category sponsors followed the same process, but for the applications and interviews in their sponsored categories only.

Because of the Covid-19 restrictions in place, the Behind-the-Scenes Visits didn't take place this year, but they will resume for the 2023 Awards.

## Fife Chamber of Commerce Presidents Welcome

We cannot wait to welcome you to the 2022 Awards Ceremony, and thank you in advance for being with us.

It has always been a very special event that is eagerly anticipated by everyone involved with it, but I think the anticipation will be even more pronounced as we meet in person for the first time in over two years. It will be an uplifting, entertaining and, for some, emotional, evening and I hope that you all have a wonderful time celebrating Fife's business champions in the company of your friends and colleagues.

The Fife Business Awards may be 'fronted' by Fife Chamber, but they only happen because of a concerted team effort, and I want to thank everyone who is part of 'Team FBA'. Our Principal Sponsors, Blackadders LLP and Henderson Loggie, and our category sponsors whose generosity is humbling. The judges who have the almost impossible job of selecting the winners from many high-quality applications that came in from every corner of Fife and every business type and sector. The Chamber staff who work tirelessly and professionally to pull everything together and allow us to enjoy the wonderful evening.

Most importantly, my thanks go to the organisations, big and small, and young and old, who applied. It takes character and confidence and some measure of courage to voluntarily put yourself in the spotlight for 'judging' the way that FBA applicants do. We are so proud that so many stepped forward again this year to inspire us with their success stories, resilience, their ground-breaking projects, and their ambition. They always remind me that even in the most difficult of times, we can prevail against the odds.

There is a prize draw to raise money for amazing charities. Full details of the organisations who will benefit from your generosity and the companies who donated the prizes are set out elsewhere in this programme. I urge you to dig as deep as you can to support them: every pound we raise tonight will make a life better.

This is my first FBA event as the recently elected President of Fife Chamber. The Board, the Chamber team and I look forward to working with all of you over the next 12 months as we look to grow and expand the opportunities and connections for business across the Kingdom to shine.

## OUTSTANDING BUSINESS AWARD

Sponsored by InvestFife

The Outstanding Business Award is given at the discretion of Fife Council and a select judging panel. It recognises the achievement of a business that is exemplary in its field and that demonstrates excellence across a range of areas. Previous winners include James Donaldson & Sons Ltd, Briggs Marine, Ingenico Northern Europe Ltd and Exterity.

This year, key to choosing the shortlisted businesses was a review of their response to COVID in terms of the impact on the local community and on job creation.

The 2022 winner of the Outstanding Business Award will be announced at the Awards Ceremony.
